Sustrans Big Pedal

Over the past two weeks our school have been taking part in The Big Pedal. This is when you ride to school on your bike or scooter. This encourages people to ride their bikes and scooters and not use their cars. This helps our environment. So Great Britain and Wales are taking part in the ride to school and back on a bike/scooter. Over the past two weeks over 40% of pupils have been riding to school, this means we are 10th in Wales at the moment. We have been supported by lots of parents too! Even Mr Austin has ridden his bike to work. This whole scheme was inspired by Mark Beaumont after he finished his ride around the world in 78 days covering over 18 000 miles!
